

Coburg Harriers places **2nd & 3rd** in Men & Women's divisions at Anglesea Relays

With perfect running conditions **Coburg Harriers had a strong turn out for the Ekiden Relay event at Anglesea.** We expected to do well in all divisions with a good spread of runners.

In **Division 3 Mens**, a great run from Coburg lead out man **Anthony Kendall**, his effort in the **9.8 km leg put Coburg into a very competitive position**, Daniel O'Connor held his spot in the next 8.8 km leg and Tom Robertson also ran strong again keeping **Coburg in the top 5 positions**, onto Eric Pritchard and he holds top 5 as well and its up to **Tony Sacco with a cool 21.22 for 5.2k** we're looking to be in a pretty good position.

But wait a minute, ... there's guys in the first leg that were over 10 minutes faster than **Tony!** What da? Turns out those runners only did the 8.8 k leg. That puts Coburg way down in the results, however AV made a decision to break up **Division 3 into 2 groups** and that puts **Coburg Harriers into 2nd Place**, well done ... win!

AV is aware of the error where incorrect course directions were provided to runners, resulting in athletes running the 7.9k route (Green) instead of the 9.8km route (Blue). As a result of this, AV has decided to split this division into two races, with points being awarded accordingly.

Perhaps our strongest team in years, the Division 3 Women opened up the 9.8km leg with a cracking 42.25 from Stacey Van Dueren (bet they thought Stacey took a shortcut as well, ha ha ha!) now we know Stacey doesn't like the rough trails, with the second fastest leg time Stacey gave us a commanding start, onto Stefani Modesti and we're top 3, Camel Taylor is next, 6.0k, 34.35 still in third no problems there, finally down to Carlee Blanchard, well most teams save the best to last. Frankston runner goes 16.13 a dominant run for first, Carlee runs 22.2 and that's up there to give us third place and only 23 seconds off second place. Brilliant effort Coburg.

Division 5 MEN

Top effort for 7th, looking at some of the times it was a very competitive division. A great start from Luong Dao, well done to Mark Harper and Charles Clark who really put in for the team.
