## COBURG HARRIERS

We're one of Australia's oldest athletic clubs. These runs are organized by volunteers raising funds to promote local athletics in our community

## "THEY CAN'T BE SERIOUS"

"We make no apologies about how hard the course is. It is the hardest 15km race in Australia"

"It's very slippery there, if you fall or when you fall, it's only mud and grass. Just get back up."

"Then up the hill, well it's really just vertical."
