

COBURG HARRIERS CLUB

CULLEN CUP

This summer season sees the reintroduction of the Cullen Cup, a trophy whose history dates back to the 1930's.

The Cullen Cup is intended to recognise athletes who compete in a variety of events, and can best be described as a mini-decathlon.

It is based on an athlete's best performance over the season in the following five events :

- 200 metres
- 1,500 metres
- 400 metres hurdles
- shot put
- long jump

Athletes do not have to have competed in all five events in order to win the Cullen Cup, but obviously it helps. Scoring is based on the international decathlon tables.

A club member can score points while still competing as an invitation athlete ie their registration with Athletics Victoria has not yet gone through, but he or she must be a signed-up member of the Coburg Harriers Club in order to score points on a particular day.

The Cullen Cup adds to the established awards to be handed out at the end of the summer season and will add to the prestige and privilege that comes with being a Coburg Harriers Club member.
